

# VERSATILE, STURDY GARDEN SUPPORTS IN A SNAP!

Easily build a variety of sturdy and adjustable plant supports with C-BITEs, the unique and patented garden stake clip that does serious heavy lifting in your garden. These reusable 1.75 inch wide clips interconnect and quickly attach to garden stakes and plant ties making plant support and canopy management a snap. Whether you want a trellis for your peas, a cage for your cannabis, a tower for your tomatoes, or support for your sunflowers, C-BITEs can do it all.

# THE ALL-IN-ONE C-BITE PLANT SUPPORT KIT

Meet the versatile Plant Support Kit featuring patented C-BITEs plus everything else you'll need to start growing a huge healthy harvest or showy container.

(17)  
C-BITEs
