Natural Horticultural Vinegar

20 % Acidity

Made by the acetous fermentation of ethyl alcohol (made from grain) containing 20% acetic acid (200 grain food grade vinegar). Yucca extract has been added as a natural sticking agent.

1 gallon
4/case

Many uses as an acidifying agent.
Some uses include, but not limited to:

- Safer way to control weeds
- Cleaner for drip irrigation lines and hydroponic equipment
- Cleans brick and stone patios and driveways
- General cleaner for greenhouses, hot houses and solariums
- Farm equipment cleaner
- Liquid organic fertilizer stabilizer

55 gallon
4/pallet
