

EARTHWAY 2750 BAG SEEDER/SPREADER

Earthway 2750 Bag Seeder/Spreader

25 lb capacity

Part #48-7071

The **Earthway 2750 bag seeder/spreader** is ideal for over-seeding and will spread all types of seeds. It works well in wet or hilly areas and can be used in any weather condition. The nylon bag holds up to 25 lbs of material and comes with bag supports to hold open the bag for easy filling. The bag is corrosion, tear and weather resistant and includes a zippered top for easy filling and closure. The exclusive rocking agitator provides smooth, even material feeding to the distribution plate.
