

DEWITT STRAW TACKSAK

DEWITT STRAW & FIBER GUARD 2000 TACKSAK

28 lb Bale

Part #55-2641

DeWitt Straw TackSak is a sack of straw seeding mulch designed to stop erosion and speed up germination. TackSak is made of finely processed straw, cut twice and processed with a bonding agent that gives straw a tackiness which holds it together and protects grass seed from heavy washout, runoff and wind. TackSak conserves water, naturally biodegrades and is safe for pets and children. It also makes great bedding for livestock. Easy to use, handle and clean up. Covers up to 500 sq. feet.

Product Features:

- Quick and easy application
- Speeds up germination
- Safe for pets and children
- Great bedding for livestock
- Protection from birds
- Water less often
