

GROTAB™

Premium PLANT STARTER TABLET (4-8-4)

GROTAB is the first of its kind – a tablet containing NPK starter fertilizer, mycorrhizal fungi (*Glomus mosseae* and intraradices), and *Trichoderma atroviride*. **GROTAB** improves root development and enhances plant growth.

USE AND DOSE: To improve mycorrhizal, bacterial, and fungal colonization, place the tablet where it can be in close contact with the roots.

We recommend these applications at planting:

- (A) Nursery & Landscape Ornamentals: 1 or 2 tablets (based on plant size)
- (B) Horticulture under Greenhouse: 1 tablet/plant
- (C) New Vineyards: 2 tablets/plant
- (D) Fruit Trees (apple, peach, etc.): 2 tablets/plant
- (E) Most Vegetable Garden plants: 1 tablet/plant

Be Aware: The application of fungicides and chemical phosphate fertilizers may slow down the development of mycorrhizae. Store the product in a cool and ventilated place, away from direct sunlight and high temperatures. Keep dry until use. **GROTAB** is a living product.

GUARANTEED ANALYSIS

| | |
|---|----|
| Total Nitrogen (N)..... | 4% |
| 1% Ammonical Nitrogen | |
| 1% Urea Nitrogen | |
| 2% Water Soluble Nitrogen | |
| Available Phosphate (P ₂ O ₅)..... | 8% |
| Soluble Potash (K ₂ O)..... | 4% |

Derived From:

Urea-formaldehyde, vegetable protein hydrolysate, ammonium phosphate, and potassium phosphate.

Also Contains Non-Plant Food Ingredients:
(Each tablet contains 4.5g)

| | |
|-------------------------------|-------------------------|
| <i>Glomus mosseae</i> | 25 spores/g |
| <i>Glomus intraradices</i> | 25 spores/g |
| <i>Trichoderma atroviride</i> | 1x10 ⁷ CFU/g |

BE AWARE. The application of fungicides and chemical phosphate fertilizers may slow down the development of mycorrhiza. Store the product in a cool and ventilated place, away from direct sunlight and high temperatures.

Place tablet as close to root as possible

GROTAB

Don't Plant Without It!

Will Not Burn Roots

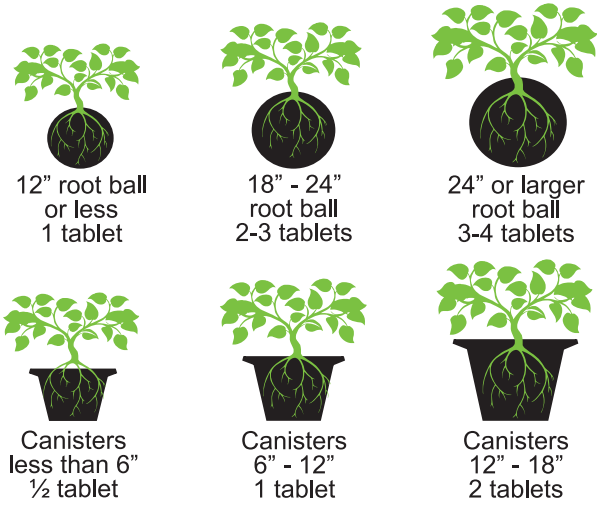

- Increases plant development
- Activates the root system
- Increases nutrient absorption

Tablet activates quickly when watered

Available in a variety of container sizes in both commercial and consumer formulations.

Manufactured for and guaranteed by Italtollina USA, Inc. • Commercial Office • 5426 N Rd 68 • STE D • Pasco, WA 99301
