DISINFECTANTS

SaniDate® 5.0 Liquid Sanitizer

Broadly labeled for hard surface sanitation and disinfection, as well as fruit and vegetable wash treatments to eliminate human health and plant spoilage pathogens. OMRI listed. Hydrogen peroxide and peroxyacetic acid.

5 gal Jug - Part #10-245
30 gal Jug - Part #10-247
55 gal Jug - Part #10-249

SaniDate® Hard Surface Sanitizer RTU

SaniDate Ready To Use is a hard surface sanitizer that contains no harsh chemicals, utilizing hydrogen peroxide to eliminate bacteria. EPA registered. No odor and safe for the environment. Dries quickly with no residue. Spray surface and wipe with paper towel or rag.

32 oz Bottle - Part #72-1060
1 gal Jug - Part #72-1062

Green-Shield® II Disinfectant & Algicide

A biodegradable, cost-effective way to control unwanted plant pathogens and algae on hard surfaces, such as floors, benches and walls. EPA-registered. One gallon of Green-Shield II is equivalent to 28 gallons of bleach. REI: Stay out of area until area is dry.

1 gal Jug - Part #16-1155
30 gal Drum - Part #16-1175

KleenGrow™ Surface Disinfectant

A registered DDAC disinfectant with a 0hr REI. Formulated to control algae, viruses and diseases for up to 30 days on a pre-cleaned surface. Also for use on greenhouse flowers and ornamental crops. Active Ingredient: Didecyl dimethyl ammonium chloride. REI: 48 hours.

1 gal Jug - Part #17-9101

BioVex® Disinfectant

A highly efficient and effective, broad spectrum, hospital-grade disinfectant. A proprietary blend of oxylchloro chemistry provides disinfection by attacking the surfaces of microbes and breaking them down. Works immediately on contact, and remains working until dried.

16 oz Bottle - Part #10-2010

Seymour® Hand Sanitizer Spray

Helps reduce bacteria and viruses for use when soap and water are not available. Spray on hands at a distance of 8 inches or more. Rub hands together until dry. Contains ethanol, water, glycerine and hydrogen peroxide. Not a surface disinfectant.

16 oz Can - Part #72-1105

Comfo Classic Half Mask Respirator

Provides protection against pesticides, paint sprays, vapors, solvents, glues and dusts. SoftFeel® facepiece makes this unit dramatically more comfortable.

Part #46-101

Comfo Classic Cartridges

6 per Box
Provides a high level of protection and easy-to-install. Guards against a wide variety of contaminants including dusts, particles, mists, gases and vapors.

Part #46-109

Dual lens that channel retention and are treated with a scratch-resistant coating.

Part #46-782

CARLIN Horticultural Supplies **ProGreen Plus** Turf, Landscape and Aquatic Supplies

1-800-657-0745 | carlinsales.com

Measuring Cups

Non-drip spout allows controlled pouring. Made from food grade polypropylene and resistant to most agricultural chemicals.

- 8.5 fl oz - Part #19-001
- 34 fl oz - Part #19-002
- 128 fl oz - Part #19-004

Tip N Pour Pitchers

These pitchers have excellent pouring control and feature extra strong construction made from a food grade polypropylene

- 32 fl oz - Part #15-406
- 128 fl oz - Part #15-404

Dramm Syphonject

Made from durable, glass fill polypropylene, the Syphonject offers a 20:1 ratio for the dilution and injection of chemicals. Draws a concentrated solution from a bucket through a flexible suction tube.

Part #47-32625

15 Gallon Drum Pump

Designed with safety features to avoid user contact with chemicals. Made of FDA Compliant Polypro and Low Density Polyethylene material resistant to a wide range of chemicals, oils, diesel and liquid fertilizers.

Part #20-743

BioSafe Goat Throat Pump

Pressures the container to dispense liquids with one touch, as easily as using a faucet. The one-touch flow control dispenses liquids at a controlled rate to prevent waste and produce precisely measured amounts.

Part #17-210

566AG Mixrite 1% Fixed Ratio Injector

Water powered proportioning pump that requires no electricity and delivers accurate dispensing across varying water pressure and water flow and are ideally suited for in-line injection.

Part #45-87454

DB Smith Multi Purpose Sprayer

Multi-purpose sprayer features a premium pump that pressurizes the sprayer with fewer strokes. It has a reinforced hose and shut-off with lock on features for continuous spraying applications.

1 gal - Part #48-4010

DB Smith Multi Purpose Sprayer

Two gallon sprayer perfect for any landscaping job. Features "pump less" technology that pressurizes the sprayer with fewer strokes. Viton seals offer the best chemical resistance.

2 gal - Part #48-4022

Dramm 8 Liter Compression Foamer

Compressed air is mixed with the spray solution in the nozzle to create an air-rich foam. Comes with three different mixing valves to allow for different ratios qualities of foam. *Direct ship only.*

8 liter - Part #48-8008

DB Smith Field King Backpack Sprayer

A four-gallon professional backpack sprayer. Features "No Leak" internal pump and high-pressure piston pump sprays up to 50 PSI and low-pressure regulator included to spray at 25 PSI.

4 gal - Part #48-4014

DB Smith PROMAX 18V Backpack Sprayer

Four-gallon lithium-ion powered backpack sprayer. Up to 4 hours spray time/50 gallons per charge. Features Viton® seals for chemical resistance.

4 gal - Part #48-4015

Clear Polycarbonate

A transparent, lightweight, durable material perfect for building safety shields, replacing glass or windows, or an easy-to-clean surface covering/counter barrier. 4' x 4' sheets. UV-resistance against yellowing.

Part #32-4018

Social Distancing Sign

12" x 12", one-sided sign stating, "Thank you for social distancing." Made of coroplast for all weather and environments. Please call 1-800-657-0745 if interested in two-sided, larger or custom signage.

Part #62-2304

Keep Out Sign

One-sided sign stating, "Danger Pesticides - Keep Out" in both English and Spanish. Made of coroplast for all weather and environments. Please call 1-800-657-0745 if interested in two-sided, larger or custom signage.

Part #46-1010
