

Part time Delivery Route Driver/Warehouse

Class B CDL, hazmat certification and an excellent driving record required. Responsibilities include driving, unloading, and demonstrating exceptional customer service skills. Driver maintains required DOT logs, manages delivery paperwork and must be available for warehouse duties.

Milwaukee area with up to a dozen daily deliveries at greenhouses, floral shops and small retailers. Use of powered material handling equipment and lifting up to 50 pounds.

You'll be home every night. Do you have outstanding customer service skills? Do you enjoy a different route every day?
