SIZE MATTERS –

When it comes to tomato cages and plant supports, choosing a heavier gauge galvanized steel is going to offer the most protection and support to growing plants. Look for our coding system to choose wire gauge appropriately.

Gauge	Diameter (inches)
11.5 g	.113
9.5 g	.143
8.5 g	.155
7 g	.177
6.5 g	.187
3 g	.243
½ awg	.297

COLLAPSIBLE SQUARE CAGES

8 LEGS:
These 8-leg square cages have an improved hinge system that adds extra support and ease of folding in quarters.

Item#	Height	Gauge
8400X	40"	9.5g
8480X	48"	9.5g
8580XX	58"	7g L – 9.5g R
8580XXX*	58"	3g

* Enforcer is the only cage strong enough for Mighty Mato.

4 LEGS:
This square 4-leg square cage is made of ¼" steel and is sturdy enough to balance any plant.

Item#	Height	Gauge
4420XXX	42"	6g
4480XXX	48"	6g
4600XXX	60"	3g
4720XXX	72"	3g
